

About Us

It was created in 1950,
and became a customs
office in 1968.

The building was
closed in 1993.

**Now it's our time to
reexamine
the building to create
a new
experience.**

The “Chai à vin” is
an old
building
used to store
the vine from
Algeria.

Estory

AUGUST 20 - 21
